

VERSA-GARD®
We make food look better.

EUROPA® SERIES

If it's not a Versa-Gard, it's just a sneezeguard.

VERSA-GARD®

firmly believes in the power of personal relationships. People do not want to do business with corporations and policies, but rather individuals. We build lasting relationships and listen to our customers so that we truly understand the kinds of products and systems they need, and then we only make promises upon which we can deliver.

Through its specialization and **exclusive focus** on FOOD PROTECTION SYSTEMS

VERSA-GARD® continues to **LEAD** the FOOD PROTECTION industry in

EXPERTISE, INNOVATION,
and the **ceaseless improvement and upgrade** of its products

We are known for

EXCEPTIONAL CUSTOMER SERVICE, QUALITY WORKMANSHIP, MEETING INSANE DEADLINES, and more than anything else,

DELIVERING OUR PROMISE

In short, we do **EXACTLY** what we say we are going to do.

At Versa-Gard we leverage the latest and most innovative technology to develop products with tight tolerances. We provide fit and finish unsurpassed in the industry. Our use of CAD (Computer-Aided Design) and CAM (Computer-Aided Manufacturing) ensures a consistent quality that is built into each of our innovative products. We harness the latest design and manufacturing software combined with programming by highly skilled engineers to provide our clients with the most dependable solutions.
